

CIS 215 Week 8 Guided Notes

Lecture 1: Midterm

Midterm Expectations

Where & When

- **When are you going to take the exam?**
Wednesday March 12 to Saturday March 15th.

Allowed Materials

- **Name one thing that is allowed for the exam, and one thing that is not allowed.**
All materials on brightspace are allowed, and you are NOT allowed to run code during the exam.

Technical Difficulties

- **What should you do if you run into an issue taking the exam?**
I should email you immediately, including course number and section, a description of my issue and a description of any fixes I have tried.

Practice Midterm

- **When is the Practice Midterm due if you want feedback?**

Midterm Grading

Corrections

Corrections Perspective

Getting Help

Academic Honesty

- If you are academically dishonest, you are **not allowed** to do corrections for the midterm

Getting Organized

Studying for the Exam

- If you need extra help/tutoring, you can go to **the learning center**.
